FISHING REGULATIONS

Effective May 22, 1949

To be in full force and effect through May 20, 1950, unless otherwise specified, subject to change, however, by the Commission prior to that date. For up-to-date information, inquire of your license dealer, sportsmen's club or Deputy Game Warden.

Regular Open Season: May 22, 1949 to November 15, 1949, both dates inclusive.

Regular Closed Season: November 16, 1949 to May 20, 1950, both dates inclusive.

The above regulations apply except where otherwise specified in the paragraphs below or under the county regulations following.

Hours of Fishing: Open from 5:00 o'clock a. m. to 9:30 o'clock p. m., Mountain Standard Time, in all waters unless otherwise specified.

Licenses not required for children under fifteen years of age.

All waters operated by the Fish and Game Department as fish hatcheries, rearing ponds, and fish cultural stations within the State shall be closed to fishing at all times.

All waters not mentioned in these Regulations are open to fishing for all species of fish during the regular open season.

The daily **Limit** on all species of trout, grayling, char, whitefish, and salmon shall be fifteen (15) fish, not to exceed ten (10) pounds and one (1) fish, except where otherwise specified. This daily limit shall not include more than five (5) fish less than seven (7) inches in length.

The **Limit** on pike of all species shall be fifteen (15) fish, not to exceed fifteen (15) pounds and one (1) fish in any one day.

The **Limit** on bass of all species shall be fifteen (15) pounds and one (1) fish in any one day.

There is **no** daily **Limit** on the catch of perch, crappies, sunfish, blue gills, bream, bullheads, and catfish.

The Possession Limit for all game fish shall be one day's legal catch unless otherwise specifically stated. This regulation shall apply to both fresh game fish and to game fish which have been dried, salted or otherwise cured.

Chapter 100, Laws of 1949—". . . It shall be unlawful for any person or persons to transplant or introduce any fish or fish eggs into any body of water in the State, or it shall be unlawful for any person or persons to transplant or introduce

any species of game birds or game animals into the State of Montana without first having obtained authorization from the Fish and Game Commission . . .''

Means of Taking:

Game fish shall be taken only by angling, that is by hook and single line in hand or single rod in hand, or within immediate control.

Non-Game Fish may be taken in any quantity during the open season by angling or with set lines in waters designated open to set line fishing.

All waters of the State shall be closed to fishing with small fish, dead or alive, for bait, except that small fish other than game fish may be used in those waters where they are commonly known to live.

Minnows of non-game fish variety may be taken with a seine not to exceed twelve (12) feet in length, three (3) feet in width, and one-quarter (¼) inch mesh only in counties hereinafter mentioned where the regulation allows the use of same. Use of minnow seines in all other counties unlawful; snares or fish traps unlawful to use or have in possession.

Snagging of game fish is unlawful at all times except as provided for under Sockeye fishing regulations, Page 7.

Sale or possession of salmon eggs or imitations thereof shall be absolutely prohibited.

Set-lines shall not be permitted unless specifically stated otherwise. (See Section 3694, R. C. M. 1947.) When set-lines are permitted, said set-line is not to exceed one hundred (100) feet and not more than six (6) hooks shall be attached thereto.

Floats on set-lines prohibited.

It is prohibited to use ground or chipped meat, fish or other food products ''to bait a hole'' in any fishing waters. (This does not prohibit the use of meat or fish for bait.)

Fishing within three hundred (300) feet below all dams hereinafter listed under County Regulations is prohibited.

Other Than Regular Season: Clark Fork River from its source to the Thompson Falls Dam shall be closed to fishing from March 1 to the beginning of the regular fishing season each year, and open the remainder of the year.

Open Entire Year: It shall be lawful to catch any species of fish in the Yellowstone, Kootenai and Missouri Rivers throughout the entire year. The regular creel and possession limits shall prevail in these waters. (Exception—see Park and Sweet Grass Counties.)

The following rivers shall be open to fishing for all species of fish during the entire year in open waters or through a hole in the ice: Milk River from three hundred (300) feet below the Fresno Dam in Hill County to its confluence with the Missouri, Flathead River from Flathead Lake to its confluence with the Clark Fork River, Clark's Fork of the Yellowstone River from its mouth to the Wyoming State Line, Little Horn River and the Big Horn River, and the Musselshell River from the Golden Valley-Musselshell County line to its confluence with the Missouri River.

Set-line Fishing for Ling and Non-Game Fish Only: (See Section 3694, Revised Codes of Montana.) The Yellowstone River from its mouth to the Bridge at Laurel on Highway No. 12; the Kootenai River; the entire Missouri River except such portions as may be affected by county regulations and that portion in Lewis and Clark and Cascade Counties between the Morony Dam and the Holter Dam, and that portion below the Fort Peck Dam beginning from the marked cable below the concrete tunnel apron to its confluence with the Milk River shall be open to set-line fishing for ling and non-game fish only at all hours in open waters and through a hole in the ice during the entire year.

Winter Fishing: All waters of the State are closed to winter fishing unless otherwise provided for by these regulations. In waters where winter fishing is allowed, angling is permitted in open waters or through a hole in the ice unless otherwise mentioned.

Sockeye Fishing Regulations During Spawning Season: From October 1, 1949 to December 15, 1949, both dates inclusive, the limit on sockeye salmon shall be thirty-five (35) fish per day and not more than two days' limit in possession in the following waters: **Flathead Lake including Swan River from its mouth to the Highway Bridge below the power house in Lake and Flathead Counties; Whitefish Lake in Flathead County; Lake Francis and that portion of the inlet canal as far as Conklin Gates in Pondera County; and the Clark Fork River in Sanders County.** However, in the above waters, from December 16, 1949 until September 30, 1950, the limit shall be fifteen (15) fish per day and not to exceed ten (10) pounds, one day's limit possession only.

In the above waters **only,** snagging sockeye with a combination of three hooks shall be permitted from October 1, 1949, to December 15, 1949, both dates inclusive. During the balance of the open season, sockeye may be taken only by means of hook and single line in hand or single rod in hand, or within immediate control.

BEAVERHEAD COUNTY

FISHERMEN NOTICE!

Fishing cannot be greatly improved until the Fish and Game Commission has more information available. One of the greatest needs is catch data. Sportsmen interested in cooperating to improve fishing are requested to mail a card to the Helena office asking for a FISHERMAN'S LOG in which they may enter their catch records. Please do not make this request out of curiosity, but only if you are truly interested in cooperating by keeping an account of your catch records.
